Dear Mr. Paraga:

I am delighted to learn that you may be able to arrange your schedule so that you may travel. I would like to extend my very warm invitation for you to visit the United States and particularly the Capitol. It would be extremely helpful to receive information from you directly regarding the present situation in Croatia, and your assessment of possible solutions and outcomes in the former Yugoslavia.

Please let me know if there is anything that we may do to assist you gaining a visa or making other arrangement.

I look forward to seeing you.

Sincerely,
